## Long Distance Medical Transportation

### What is Miles for Health?

Miles for Health is shared long distance transportation serving customers 60 years of age or older and/or those who meet the requirements of the Americans with Disabilities Act of 1990 (ADA).

### Who is eligible?

1. Persons 60 years of age or older  
2. Persons who are not 60 years of age but have a disability and are ADA eligible. For example, a person with a disability that limits one major life function and cannot, because of the disability, use public fixed-route accessible bus transportation. Seniors may meet both age and disability qualifications.
